Office Order: COVID 19 Pandemic – Delayed Response

In last two weeks five positive cases of COVID 19 have been reported amongst employees of IIIT Vadodra. Further, many employees are unable to come to ~~intesting~~ ^{institute} as their spouse/ parents/ siblings have reported positive. Additionally, many other employees have also been isolated to meet the COVID 19 protocol.

This is to inform everyone that, due to above Institute is working with limited available manpower and thus our responses would be delayed.

Under this circumstances, Institute is handling only emergency works on priority basis. Activities that can wait will not be taken up. We also discourage public visiting Institute and Hostel Premises. Inconvenience is regretted.

This has the approval of the Director.
